## Data Privacy Statement

Estate Valuations & Pricing Systems, Inc. does not collect, transmit or store Personally Identifiable Information (PII), Sensitive Personal Information (SPI), or Personal Data as defined by the General Data Protection Regulation (GDPR), via any of the applications in EVP Office, including EstateVal.

Although PII, SPI or GDPR Personal Data may be entered into the software when a portfolio is created, that data remains entirely local at the user's site. EstateVal and the other applications in EVP Office only transmit the security identifiers (CUSIPs, SEDOLs, ticker symbols, etc.) and the valuation date (Date of Death, Alternate Date, etc.) to EVP Systems' servers. None of the decedent's personal information (name, account number, title, lot size, transaction details, filename, notes, etc.) is sent to or stored by Estate Valuations & Pricing Systems.

If you have any questions about how personal information is treated by EVP Office or its individual applications, please contact me our Privacy and Compliance Department at (818) 313-6300 or [privacy@evpsys.com](mailto:privacy@evpsys.com).
