

About Professional Services

Speed, accuracy, and value—get the best, faster

EVP Systems Professional Services Department is the fastest, easiest way to get complete securities evaluations for IRS Form 706. Simply **fax or e-mail a portfolio** with an Evaluation Order Form to us, and you'll receive a complete, accurate report back—usually the same day.

No Surcharges for Same Day Turn-Around

The fastest turn-around in the industry, all without extra charges. We can usually get your report back to you the same day, and there is never a charge for fast service.

Volume Discounts of Up to 35%

Depending on how much you use the service, you can get over a third off your bill, every month.

Free Delivery via Fax, E-mail, and the Post

There are no extra charges for returning the report to you via fax, e-mail, or the postal mail. We can also send the report as a PDF, an EstateVal file, or as a word processor document, so you can edit it as needed.

Reports Created with EstateVal

All Professional Services reports are created with EstateVal, the most accurate, most trusted software for historical securities valuations.
